## Individual & Family Plan Integrated Services

CHOICE Administrators® offers **Quote to Card** Integrated Services to assist health plans to rapidly and efficiently enter the Individual & Family coverage market. Our **Quote to Card** solutions can also be deployed by government agencies to fast-track the development of Health Insurance Exchanges.

From quoting through both brokers and online engines, to online enrollment capabilities, to proprietary website design, to servicing members and providing ongoing administration and renewals, CHOICE Administrators can get your Individual & Family Plans up and running FAST.

Our Individual & Family Plan **Quote to Card** Integrated Services include:

- Online proposal system (customized and branded)
- Online or paper-based enrollment system
- Online or paper-based underwriting integration
- Broker, General Agent, Navigator or inside Marketing Team multi-tiered sales management system
- Ability to enroll an IFP member in both an HSA insurance plan and an HSA bank account
- Full administration including billing, collections, eligibility changes and commission payments
- Electronic, HIPAA compliant eligibility updates (EDI)
- Premium remittances
- Membership card and welcome kit fulfillment
- Renewal management
- Call Center sales
- Call Center service
- Individual & Family plan proprietary branded websites

All services are offered on a fully integrated, turnkey basis or on an unbundled basis. Proposal and enrollment systems are operational and ready to be deployed; in 2009 we produced 2.5 million Individual & Family Plan proposals.

CHOICE Administrators® also operates CaliforniaChoice®, a state approved small group health insurance Exchange that has administered 20 million member months of Exchange coverage since 1996. Our Individual & Family Plan and small group Exchange services are built on proprietary platforms that speak to each other and can support a fully integrated solution for you.
